#### Spring 2013

#### A MESSAGE FROM MAYOR RALPH A. SCORDINO

s weary as some of us may be of the talk of Hurricane Sandy, we must remember that many of our family and friends are still living the effects of the storm and are not yet back in their homes. Some have only begun repairs. The Village is doing all it can to assist residents who have been dealing with these issues and we ask for your patience and understanding as there will be a lot of construction this summer south of Montauk. There is much work to be done and it is only just beginning.

In spite of the hurricane, we are trying to continue with all our regular programs and services for residents. It has been a cold spring but the hard work of the Parks Department and the Babylon Beautification Society is evident everywhere. Flowers are abloom in the gardens, grown from seed by the Parks Department, and the BBS donates the lovely flowers seen in the containers throughout the Village. The blooming trees and colorful flowers are a sign of new growth, which is exactly what Babylon Village is doing after the storm.

This spring the Village was awarded a grant from the National Association of Counties in conjunction with Seatuck Environmental Association to install a "fish ladder" by the falls of Argyle Park. This device is used to help certain species of fish migrate between the sea and fresh water. In our case, it involves the trout from the Great South Bay that need to come to the park's lake to breed. This is an important device for ecological reasons to keep our fish population and lakes healthy.

Our spring and summer activities began with the Babylon Village Little League annual parade on April 6. The Historical Society's Ole Times Day is coming up on May 19 and the Village Memorial Day parade, sponsored by American Legion Post 94, begins at 11:00 on May 27. The first weekend in June brings the Babylon Village Chamber of Commerce's Sidewalk Sale and the Village's Swim and Recreation programs begin at the end of the school year to provide activities for our children all summer long. Although the pool sustained significant damage from the storm, Trustee Davida and the Highway and Parks Department have been busy with repairs to make sure that it will be open this summer. The E. Donald Conroy Golf Course is open and is already busy with golfers in spite of the cold weather. And, the Farmers' Market, offered for the first time last year, returns on June 2.

We are very fortunate to live in a community with a thriving business district and a large variety of programs and activities. The approaching summer months will bring increased pedestrian traffic in many areas. I urge everyone to please be alert and cautious when driving through the Village. Please obey all speed limits, stop signs, and stop for all pedestrians in the crosswalks and in the residential areas. There will be many people, especially children, walking, bike riding, etc.

I personally thank all of you who turned out to vote in the Village election in March. We are pleased that Deputy Mayor Kevin Muldowney, Trustee Carol Amelia, and Village Justice John Rafter will continue to serve the community.

As always I ask that you remember those serving in the Armed Forces in your thoughts and prayers. Unfortunately this year, I ask that you remember your neighbors who are still struggling from the effects of Superstorm Sandy and the victims of the Boston Marathon bombing. We all need to be thankful for what we have and to remember and assist those who are dealing with difficult times.

Please feel free to call my office at Village Hall, 669-1212, with any of your concerns, comments, and questions.

#### **VILLAGE POOL OPENS JUNE 22**

**Swim Lesson Sign-ups Start May 18** 

he Village Pool, like so many homes and structures south of Montauk Highway, suffered a great deal of damage from Hurricane Sandy. Knowing what a treasure this pool is to Village residents, we made the pledge to repair the facility in time for the summer's activities. **Trustee Tony Davida** is pleased to report that the pool is tentatively scheduled to open for the summer on June 22\* and remain open daily through Labor Day offering a variety of programs as usual. We are working diligently with our contractor, making every effort to open on time.

Pre-registration for swimming lessons and pool passes begins May 18 (see registration form on page 5). Family memberships remain at \$80, and season passes will list each family member residing at the same address. Individual memberships remain at \$50 for adults, \$30 for children, and \$10 for senior citizens (age 62+). Two proofs of residency are required for all passes (e.g., driver's license, utility bill). Please note that beginning with the 2013 season, the Early Morning Swim will be available for BABYLON VILLAGE RESIDENTS ONLY and a special Sunrise Swim pass will be required, for an additional \$30.

\*Please note that the pool will not open for the weekend on Father's Day as in the past. It is scheduled to open on June 22 and remain open for the summer.

#### AT THE CONKLIN HOUSE

rustee Debbie Basile reports that several cultural and educational events were offered at the Conklin House this winter including Open House Historic

#### STORMWATER MANAGEMENT UPDATE

The Babylon Village Highway Department is continuing the installation of stormwater filter vaults throughout the Village as we progress toward our goal of installing these devices on all of our stormwater outfalls which enter surrounding bodies of water. In addition, we are replacing contaminated filter media on an as-needed basis and our testing laboratory continues to monitor the content of the stormwater entering and exiting the filter vaults.

Residents are reminded that they can help reduce stormwater run-off pollution by disposing of chemicals and waste oil properly at the Village Highway facility; by not throwing yard waste (grass clippings, etc.) into storm drains or stream beds; by using fertilizers and herbicides sparingly; by not allowing lawn chemicals to lay on paved surfaces; and by cleaning up after your pets.

Trustee Debbie Basile asks that should you notice a Village streetlight not working by your residence, please call 669-1212 to report it for repair.

#### **VILLAGE GOLF COURSE**

rustee Kevin Muldowney reports that the E. Donald Conroy Golf Course got off to a cold amd snowy start this year but Greens superintendent Tim Shelhorse did a great job of getting the course in order quickly. It opened March

11 with a few diehard golfers out working on their game.

The tough winter, along with Super Storm Sandy, has delayed work on the clubhouse project. The foundation is in place and we expect the new building to be open by mid-May.

Ed McCarthy, our men's league chairman, now takes over as golf director for the course. He will coordinate league play, school teams' use of the course and outings. If you are interested in an outing for your business or organization, please give Ed a call at the course. We will also have local guest pros in the area available for giving lessons.

The very popular men and women's leagues start soon and anyone interested in joining should call the course office.

The Babylon Breast Cancer Coalition will hold its 4th annual "Golf Challenge" on October 14, and plans are well underway. Last year over one hundred golfers participated in three shotgun starts and it was a fun-filled and very successful day for the coalition. Mark your calendar now to participate in this event for a great cause.

Gift certificates are wonderful Mother's Day and Father's Day gifts and can be purchased at the course office and at the Clerk's Office in Village Hall. Also, seniors receive a \$2 discount on weekday mornings.

This unique golf course has holes ranging from 100 yards to 185 yards, five elevated greens and a pond which comes into play on several holes. It's a great place to work on your short game or to launch your golfing career. It is also an excellent venue for small group outings for businesses and organizations

For all golfing information, call the course office at 669-2340.

## **AROUND VILLAGE HALL**

#### **NEWS FROM THE VILLAGE CLERK'S OFFICE**

Landscapers. All landscapers working in Babylon Village must obtain a permit ANNUALLY to insure they are aware of Village rules and regulations. Applications are available at the Village Clerk's office and on our website. Possession of a permit is NOT a recommendation by the Village as to the quality of the work a landscaper will perform.

It is the responsibility of property owners to make sure any contractors you hire are properly insured. It is suggested you obtain a certificate of insurance showing coverage.

When you or your landscaping service use a broadcast spreader, please make sure no material is spread into any bodies of water. Also, all fertilizer should land on grass and garden areas not on sidewalks and streets where it will wash into drains. High levels of nitrogen, abundant in fertilizers, are harmful to aquatic life.

<u>Crabbing permits</u> are now due to be renewed and applications are available in the Village Clerk's office as well as on our website. The fee is \$5.00 for Babylon Village residents.

#### **BUILDING DEPARTMENT NEWS**

The Building Department reminds all Village residents of the following important regulations:

- Boat storage is not permitted on residential property after April 1st.
- Self-locking gates and alarms are now mandatory for all pools in the Village of Babylon.
- Pumping swimming pool water into streets or street drains is prohibited.
- State code requires that carbon monoxide alarms be installed in all new and existing buildings. More information on this new code is available at www.dos. state.ny.us/CODE/COAlarm.htm.

For all questions regarding Village building code issues, please contact the Building Department at (631) 669-1300.

#### TREE PLANTING PROGRAM

Babylon Village offers its residents a Street Tree Planting program. Residents are required to complete an application to request trees to be planted at the

curb line in front of their homes. Applications are being accepted now through September 16 at Village Hall for the November 2013 planting. If you submitted an application for 2013, that application is on file and you do not need to reapply. For further information please call 669-1212.

Dog owners are reminded that the Village has installed two fenced-in dog runs: one is behind the south Little League ball field on Locust Avenue and the other is on George Street. Free doggie bags and disposal receptacle are provided. Owners are asked to please help keep the area clean by picking up after your animals and disposing of the waste properly.

#### **GENERAL SAFETY TIPS**

For the betterment of all, please keep the following in mind:

- Circulars left in driveways are a clue for vandals and burglars that a house is empty. If you see these on a neighbors driveway or lawn when they are away, toss them out of sight.
- Please be watchful of strangers in your neighborhood. If you notice anyone suspicious walking around or driving slowly through your area, don't hesitate to call Suffolk County Police.
- Please make sure your house number is posted and visible from the street for police, fire and rescue personnel to find in the event of an emergency.

#### **PLEASE REMEMBER!**

When parking on the street - *right* wheels to the curb; you're on the *right* side of the street and you're facing the *right* direction. Also, persons parking on or across sidewalks will be issued tickets.

#### **NEWS FROM THE SANITATION DEPARTMENT**

Please help us better serve you by noting the regulations below. If you have questions about these issues, please call the Village Sanitation Department at 669-4878.

- ➤ Yard waste (leaves, plant clippings, anything that grows) should be separated from all other rubbish and placed in a clear plastic bag for a separate pick-up on your regular rubbish day. This is a mandate from the Town of Babylon which runs the landfills we use. There can be no plastic pots, plant tags, or other non-green contaminates in the bag with the yard waste or the bags will not be accepted and will be left at the curb.
- ➤ When putting out **metal objects** for pick-up, you must <u>call ahead</u> to advise the Sanitation Department that your item(s) will be out. These include refrigerators, washers, dryers, treadmills, BBQ grills.
- ➤ Place your rubbish between the sidewalk and the curb *not earlier* than 6 PM the evening before *nor later* than 7 AM on the morning of your collection day, and remove empty containers from the curb. *There is no garbage, rubbish or recycling pick-up on Saturdays, Sundays or holidays.* When rubbish or recycling collection falls on a holiday, please do not put items out for pick up until your regular scheduled rubbish/recycling day the following week.
- ➤ Residents are responsible for any debris left in the street or at the curb by their landscaping companies. Any leaves or other debris left behind, should be bagged by the resident and placed in your yard until your regular rubbish pick-up day.

#### S.T.O.P. SET FOR SEPTEMBER 21

he next S.T.O.P. (Stop Throwing Out Pollutants) date is Saturday, September 21, from 9 AM to 12 noon at the Village Sanitation Department. Residents may drop off acceptable household pollutants: latex and oil-based paints, car batteries, household cleaners, laundry products, used motor oil and other items. The Village will dispose of them properly.

**Trustee Anthony Davida** states that Babylon Village is proud to be a part of this important environmental program.

#### **2013 TAX RATE**

ayor Ralph Scordino reports the Village Board of Trustees has adopted a budget for the fiscal year starting June 1, 2013, that calls for a tax rate of \$14.24 per \$100 of assessed valuation of real estate property. This means that a home with a Village assessment of \$5,000 will have a Village tax increase of \$63 for this year.

Tax bills will be mailed by Friday, May 10. If you do not receive your bill and your mortgage company does not escrow for payment, call the Tax Receiver's office at 669-1500. If you recently purchased the property, please call the Tax Receiver's office as it takes a few months once the deed is recorded to receive the change of ownership from the County Clerk's office.

Taxes are due June 1, 2013. Check the legal notice in The BEACON or visit our website in the month of May for a more detailed explanation.

#### **TUNA TOURNAMENT 2013**

Trustee Kevin Muldowney reports that the Babylon Tuna Club's 57<sup>th</sup> annual Tuna Tournament will be held August 8th through 11th this year, a bit later than usual.

The club feels the later date will benefit the anglers as the warmer water should provide a better catch.

With our community still suffering from the effects of Hurricane Sandy, the Tuna Club has named "Babylon Neighbors Supporting Neighbors" as the recipient of donations raised from the sale of fresh fish at the docks on Saturday and Sunday. There will be music and many nautical vendors, making the dock a very lively place to visit that weekend.

#### SNAPPER DERBY FOR JUNIOR ANGLERS

The annual Babylon Tuna Club Snapper Derby will be held on August 24th and is open to boys and girls twelve years of age and younger. There will be prizes for biggest fish, most unique fish, and many more. Hot dogs, soda and ice cream will also be provided for the participants. It's a great day for both the kids

#### Please keep pool safety in mind!

#### DON'T ...

leave children unattended, not even for a few seconds!

#### DO ...

- make sure your pool is fenced and locked
- have a pool alarm installed
- make sure an adult is present
- make sure a phone is located near the pool

#### "OLE TIMES DAY" CELEBRATES THE HISTORY OF ST. JOSEPH'S CHURCH

le Times Day, sponsored by the Babylon Village Historical & Preservation Society, will be held May 19, from 2-4 PM at the Historical Society Museum. Local resident Dr. Rick Hess will present a history of Babylon's St. Joseph's Church. The Officers and Trustees of the Society welcome the public to this free program and refreshments will be served.

The Historical Society's Percival Award for Excellence in **Social Studies**, a \$500 grant given to a student from Babylon Village with the highest regents marks in American History, will be awarded that day as well.

The Museum, located on West Main Street at the corner of N. Carll Avenue, is open to the public on Wednesdays and Saturdays from 2-4 PM. Please call 669-1756 for information regarding membership, arranging a visit, or general information, or go to www.babylonvillagehistoricalsociety.org.

#### **Please Watch Your Speed**

With the warmer weather, more people are out and about. Please comply with speed limits set in our Village. The speed limit is 20 mph in school areas and 30 mph on ALL Village streets, unless otherwise posted.

and the parents!
